

November Parent Newsletter 2023-2024

Hello Sykuta families!

We hope this fall weather is finding you safe and well. Given the rise of COVID please make sure that our students are taking the necessary vitamins to ensure a strong immune system support.

In addition, please make sure that our students are wearing proper attire for the weather. There have been a lot of students who have come without coats, hats, gloves, etc.

Lastly, thank you to all the parents who participated and sent candy for our trunk or treat harvest / costume celebration. We couldn't have done it without you.

Remember to always check your emails, robo calls, classroom newsletters, and principal newsletters so you can stay informed of what is taking place at Sykuta.

There are some important dates and events coming up this month and they are as follows:
